

## UPGRADE GT KIT

### 1N1.9090A\_

The 1N1.9090A\_ GT kit is synonymous with superior performance 

Complete braking systems, comprising components derived from the world of motorsports and offering unrivalled levels of technology on the market. They feature aluminium radial-mounted fixed calipers, with opposing pistons. Depending on the type of system and the required performance level, the calipers can either be in two-parts, monoblock or even monoblock machined from solid billet metal. The uprated brake discs can be integral (one-piece) or composite, drilled or slotted.

- ✓ Brembo quality
