

P 24 074 SUPERSEDED BY P 24 161

Due to the fact that the references are interchangeable, Brembo is harmonizing the two part numbers: **P 24 161 supersedes P 24 074.**

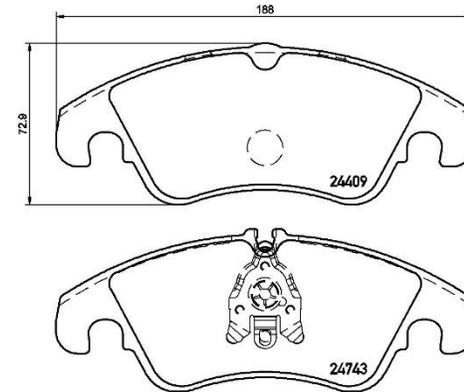

P 24 074

WVA 24409, 24743

P 24 161

WVA 24409, 24743

P 24 161 will cover applications of both part numbers in the future. Therefore P 24 074 will be phased out. Existing stock of P 24 074 can be sold without any problems.
